

National TVET Opinion Survey

Leadership of Training Institutions

In the Name of Allah, the Most Gracious, the Most Merciful

Introduction:

The Education and Training Evaluation Commission (ETEC) is the national authority in Saudi Arabia responsible for evaluating and accrediting education and training programs to ensure quality and alignment with labor market needs.

ETEC is conducting the first-of-its kind national TVET survey to develop the TVET sector and elevate the level of its outcomes.

The target audience of the survey:

To participate in this survey, you must currently be an employee of the training establishment and part of its leadership.

Instructions:

How to complete the survey?

- ✧ Use the “Next” and “Previous” buttons at the bottom of each page to navigate. Do not use your browser’s back and forward buttons, as this may cause you to lose progress.
- ✧ Please choose the response category that best suits you for each statement honestly and accurately. There are no right or wrong answers – your personal experience is what matters most.

Data protection

- ✧ Your responses are completely confidential and will be anonymized for analysis.
- ✧ The Education and Training Evaluation Commission (ETEC) complies with the Personal Data Protection Regulations issued by the Saudi Data and Artificial Intelligence Authority (SDAIA).
- ✧ The data collected will be used solely for research, improvement, and development of TVET policies and programs only.

Section 1: Demographic Information

#	Question	Response options
---	----------	------------------
